STUDENTS ARE HELD TO CHRISTIAN VALUES AT ALL TIMES.

We expect students to come ready to have some fun, in a respectful and glorifying manner.

Modest clothing must be worn at all times (please follow school dress code in regard to covering the body). There are no exceptions to this.

Students will be expected to make good decisions and show self control. If students are incapable of doing this, parents will be asked to immediately come and pick up their child(ren). They will also receive a one year probation from any future trips.

Students should come ready to serve without complaint and grow in relationship with the Lord.

Students should be ready to participate with the group in planned activities.

We want this to be a memorable event that truly impacts the heart of everyone choosing to attend and we know the Lord has great things planned for these kids, so we simply ask that students follow these simple rules and come prepared for a weekend of growth.

“They devoted themselves to the apostles’ teaching and to fellowship, to the breaking of bread and to prayer. 43 Everyone was filled with awe at the many wonders and signs performed by the apostles.

44 All the believers were together and had everything in common.

45 They sold property and possessions to give to anyone who had need.

46 Every day they continued to meet together in the temple courts. They broke bread in their homes and ate together with glad and sincere hearts, 47 praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved.”

Acts 2:42-47
